Plasko's Farm in Trumbull is now booking educational weekday field trips and excursions for September and October 2016. **Groups include: schools, youth/adult organizations, birthday parties and business outings.**

Each year we combine our experience in farming and agriculture with our love of teaching to create hands-on, interactive activities for students of all ages and local organizations in Connecticut. The farm has a **NEW educational program** this year that was created by Lisa Plasko, who holds a Master's Degree in Education. All topics and content discussed are age appropriate and tailored to meet the diverse needs of individual groups and classroom curriculum.

Our corn maze is also a fun and unique team building opportunity! It spans 4.5 acres and offers 1.5 miles of twists, turns and checkpoints. All participants will be given checkpoint cards to navigate the maze in groups of ten. When individuals exit the maze, they will be given a tractor drawn hay ride around the perimeter of the corn field and then they may choose a pumpkin to take home.

Outdoor picnic tables are also available on our premises. Your class, group or organization is welcome to stay and enjoy their lunch and/or snack and meet our Miniature Sicilian Donkeys...Emma, Sadie and Charlotte.

If you are interested in making reservations, please fill out the attached online form below, and email it to info@plaskofarm.com or call the farm at 203-268-2716. We suggest you submit forms or call as early as possible to guarantee your date & time slot. We look forward to meeting you all this fall 2016!

Sincerely,
The Plasko Family
